

## Pre-Purchase Deposit Agreement

The Dragonfly DF1 Purchase Deposit Agreement (“Agreement”) made between Avimech International Aircraft, Inc., (Manufacturer), (Dragonfly DF1 Helicopter), and the undersigned (“Buyer”) is in accordance with the following terms and conditions effective on the date entered below. This agreement states the intent of the “Buyer” to purchase a Dragonfly DF1 one-seat helicopter from Avimech International Aircraft, Inc. This “Agreement” constitutes a pre-purchase manufacturing order for one Dragonfly DF1 Helicopter, which upon completion will be FAA registered and given a designated N serial number.

Within 10 days of signing this Pre-Purchase Agreement, the “Buyer” will receive the manufacturer’s order contract, and the FAA reserved N number of his unit.

The production and delivery of the DF1 takes 6 months.

Based upon the aforementioned, Avimech International Aircraft, Inc., and the “Buyer (both referred hereto as “Parties”) state their intent to be legally bound, and agree to the following terms:

1. **Price:** The price of the Dragonfly DF1 is US\$ 120,000 FOB Tucson, Arizona, USA. The list price does not include the price of optional equipment, any taxes, or shipment expenses including duties and taxes.
2. **Deposit.** The “Buyer” shall make a one thousand dollar (US\$1,000) deposit to the Avimech International Aircraft, Inc., escrow account with Wells Fargo Bank. The account number and instructions will be sent only after Avimech receive this intention to buy pre-purchase agreement signed by the buyer, please notarize your signature. This will initiate your serial number reservation for production.
3. **Delivery Order Reservation.** The “Buyer” and “Manufacturer” will discuss the payment process and the terms of contract to start with the assembly phase and concluding with the delivery of the unit.
4. The “Buyer” will receive a monthly manufacturing status report updating him on his unit. If the “Buyer” wishes, visits to the manufacturing site can also be arranged after the second month of assembly.
5. **Delivery.** After completion and delivery of the Aircraft, the total purchase price must be paid in full. The Aircraft will be delivered with pre-flight test approval and registered by the FAA (Federal Aviation Administration) along with the Aircraft FAA US N number. Full traceability of records and manufacturing log books will be provided, including warranties terms.

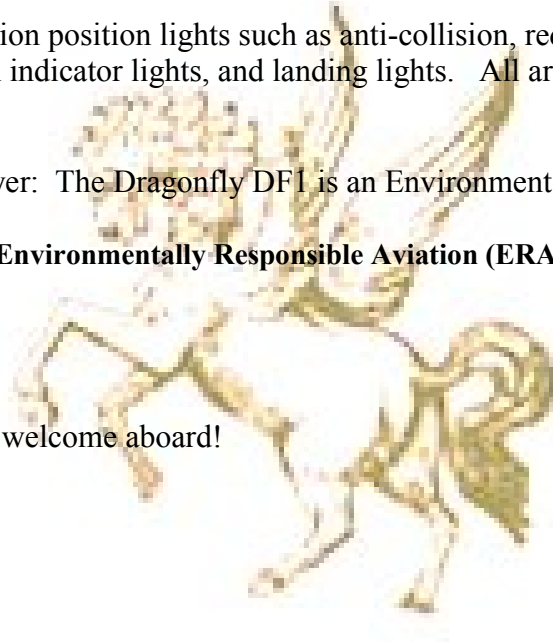

## Pre-Purchase Deposit Agreement

### 6. Delivery Equipment includes:

- EFIS-Electronic Flight Instrument System.
- Navigation position lights such as anti-collision, red and green, and white position indicator lights, and landing lights. All are LED/FAA approved.

Note to the Buyer: The Dragonfly DFI is an Environment Friendly Aircraft; it is
